JUNE QUARTERLY NEWSLETTER

Meet Leif Kindberg

IRWP's NEW EXECUTIVE DIRECTOR

Leif Kindberg will join IRWP as Executive Director with more than 12 years of management experience in the private sector and with non-profit organizations in the United States and abroad.

He is moving to Arkansas after working in Tanzania with communities and the government to improve watershed management in two of the country's largest water basins. Leif recognizes the importance of partnerships with rural and urban landowners in the Illinois River Watershed and is looking forward to continuing this work with partners to enable sustainable growth and facilitate conservation throughout the watershed.
